Ad agenda item 2 (explanation of the management and the supervisory boards):

PRESENTATION OF THE 2015 ANNUAL REPORT, INCLUDING THE AUDITOR'S OPINION, PRESENTATION OF THE WRITTEN REPORT OF THE SUPERVISORY BOARD ON ITS ACTIVITIES, INCLUDING ITS OPINION TO THE AUDITED ANNUAL REPORT, INFORMATION ON REMUNERATION OF THE MEMBERS OF MANAGEMENT AND SUPERVISORY BODIES, PRESENTATION OF THE 2015 ANNUAL REPORT ON INTERNAL AUDITING, INCLUDING THE OPINION OF THE SUPERVISORY BOARD THERETO, AND REPORT OF THE MANAGEMENT BOARD ON OWN SHARES

Pursuant to Article 293 of the Companies Act (ZGD-1), the general meeting is to decide on the approval of the annual report, if the supervisory board has not approved it. Thus, the general meeting only decides on the annual report in specific cases, which is not the case here.

The supervisory board oversaw the activities of the Company in the 2015 financial year pursuant to its powers and terms of reference. In its session on 6 April 2016, the supervisory board approved the annual report of the Company as proposed by the management board. Pursuant to the ZGD-1, the supervisory board prepared a report on its activities in 2015, including an opinion on the audited annual report, which forms an integral part of the annual report.

Article 294 of the ZGD-1 provides that the management board must present to the general meeting, when deciding on the appropriation of distributable profit, information on the remuneration of members of the management and the supervisory bodies for performing their function in the Company in the previous financial year. This information is disclosed in the annual report.

Pursuant to the Slovenian Insurance Act, the management board is required to present to the general meeting the annual report on internal auditing, including an opinion of the supervisory board thereto.

Under this agenda item, the general meeting is presented the 2015 annual report, including the auditor's opinion and the written report of the supervisory board for the annual report, and the 2015 annual report on internal auditing with the opinion of the supervisory board thereto.

Under this agenda item, the general meeting is also presented the management board's report on own shares. This is pursuant to Article 247(3) of the ZGD-1, which requires that the management report to the general meeting on own shares: the grounds for and the purpose of acquisition, the total number, the minimum issue price and the proportion and value of own shares acquired.

Ad agenda item 3 (explanation of the management and the supervisory boards):

APPROPRIATION OF DISTRIBUTABLE PROFIT AND GRANTING OF DISCHARGE TO THE MANAGEMENT AND THE SUPERVISORY BOARDS FOR 2015

In accordance with Article 294 of the Companies Act (ZGD-1), the general meeting must decide on the appropriation of distributable profit at the same time as deciding on the discharge for the members of the management board and the supervisory board. The ZGD-1 provides that the deliberation on the discharge be linked with the deliberation on the appropriation of distributable profit, while the management board must present to the general meeting the annual report and the report of the supervisory board on the verification results relating to the annual report in order to facilitate decision-making.

The proposed resolution on the appropriation of distributable profit and dividend payout is based on the achieved results and the dividend policy as well as on the opinion of both the supervisory and the management boards on the appropriateness of such appropriation.

In early 2015, the management board adopted and the supervisory board approved the basis for the dividend policy of Sava Reinsurance Company. The management board laid down the dividend policy as follows: The Company will pay out dividends in the amount of approximately 30 % of the net profit of the Sava Re Group (consolidated profit) with the management board making adjustments to their proposal for dividend payout taking into account the Company's capitalisation, new development projects to engage additional capital, capital requirements for the support of organic growth and other major factors that affect the financial position of the Company.

The management and supervisory boards jointly propose that the general meeting of shareholders adopt the following resolution on the appropriation of distributable profit (of € 20,763,434.71):

- € 13,114,793.60 shall be appropriated for dividends,
- the remaining distributable profit of € 7,648,641.11 shall remain unallocated.

The proposed dividend payout represents 39.3 % of the 2015 net profit of the Sava Re Group, whereby 31.9 % of the dividend payout is proposed as an ordinary dividend (€ 0.65 per share) and 7.4 % as an extraordinary dividend (€ 0.15 per share). This is due to the fact that the Company has planned no additional major development projects for 2016, as it is focusing on the successful completion of the insurer integration project.

The Company has prepared the proposal of the level based on:

1. the amount of surplus of available solvency margin over the required solvency margin under Solvency I at 31 December 2015;
2. the estimated surplus of available solvency margin over the required solvency margin under Solvency II at 31 December 2015;
3. the capital models of the rating agencies S&P and A.M. Best
4. the adopted 2016 financial plan of the Sava Re Group.

The proposal for appropriation of distributable profit is based on the number of own shares at 31 March 2016. On the date of the general meeting, the number of shares entitled to dividends may change as a result of additional purchases or disposals of own shares. Should the number of own shares change, the general meeting of shareholders will be proposed adjusted figures for appropriation of the distributable profit, while the amount of the dividend per share of € 0.80 shall remain unchanged.

Pursuant to Article 294 of the ZGD-1, the general meeting must decide on the discharge to be granted to the management and the supervisory boards for the past financial year 2015.

Pursuant to recommendation 5.8 of the Corporate Governance Code for Public Joint-Stock Companies stating that general meeting resolutions on management and supervisory body discharges are to be decided separately for each body, the general meeting is given separate proposed resolutions for each body.

Pursuant to the Company's applicable articles of association, the supervisory board is composed of six members, of which two (employee representatives) are elected by the workers' council, which subsequently informs the general meeting of its decision.

The general meeting takes note of the fact that the term of office of Andrej Gorazd Kunstek, member of the supervisory board and employee representative, expired on 10 June 2015.

The supervisory board takes note of the workers' council's appointment of Andrej Gorazd Kunstek and Helena Dretnik as new members of the supervisory board (employee representative) for a term of four years. The newly elected members entered their term of office on 11 June 2015.

The general meeting takes note of the resignation tendered by Helena Dretnik, resigning as member of the supervisory board employee representative as from 19 February 2016.

Ad agenda item 5 (explanation of the supervisory board):

APPOINTMENT OF AUDITOR FOR THE FINANCIAL YEARS 2016–2018

The proposal of the supervisory board is based on the proposal of the supervisory board's audit committee dated 5 April 2016, which takes part in the selection process of the independent external auditor in accordance with Article 280 of the Companies Act (ZGD-1). The supervisory board adopted their proposal.

The supervisory board proposes that the general meeting appoint the audit firm **Ernst & Young d.o.o., Dunajska 111, Ljubljana** as auditor of the financial statements of Sava Reinsurance Company and Sava Re Group companies for the financial years 2016–2018.

Ernst & Young is one of the four leading global audit networks present in 140 countries worldwide as well as in Slovenia and in all countries where Sava Re Group companies are based.

The firm has relevant experience in auditing of financial statements of commercial companies and services domestic as well as international clients. Major auditing clients in Slovenia in the past five years included large commercial companies and groups from insurance and banking as well as other industries.

In accordance with the Insurance Act (ZZavar-1, Official Gazette of the Republic of Slovenia, no. 93/2015), Sava Reinsurance Company is obliged to appoint an auditor for a period of not less than three financial years. An audit firm is permitted to audit the annual report of an insurance company for no more than ten consecutive financial years.

The proposed audit firm Ernst & Young would undertake the auditing of the financial statements of Sava Reinsurance Company and other Sava Re Group companies for the 2016 financial year for the fourth year in a row.

In the past year, the proposed audit firm Ernst & Young performed for the Company and its related companies non-auditing services in the form of consulting services for the implementation of requirements of the Solvency II Directive (also through its international partners). The Ernst & Young audit firm has declared that there were no potential conflicts of interests between Sava Re Group companies and Ernst & Young network companies and that none of the performed services gave rise to doubt as to their independence for the auditing of financial statements of the Sava Re Group and Sava Reinsurance Company.

It is proposed that the general meeting appoint the audit firm for three consecutive financial years 2016–2018.
